Dear Sacred Heart Parishioner,

Father Jim has called a town-hall meeting after 10:30 Mass on Sunday May 19th to address important issues for our faith community. Together we need to address some changes as we continue to strive to better balance the faith building needs of our children, families and parishioners of all ages with the time-laden duties of our pastor.

Here are the topics that we will discuss:

- Sacred Heart Religious Education Program
  - o Family formation focus
  - o Empower parents to teach our faith
  - o Engage more people in sharing our faith
  
- Changes in special services offered at Sacred Heart
  - o Only one Good Friday Service
  - o No Christmas morning Mass at Sacred Heart
  - o Potential change of Stations of the Cross schedule
  
- Diocese assessing Sacred Heart for Catholic Schools
  - o Large tax
  - o No benefit due to distance away from Catholic Schools

We welcome your input and encourage everyone to attend. Sacred Heart continues to flourish as we work together to build strong Catholic foundation for the children, families, and all our members.

God bless you and your families!

Angie Lawrence
